

Gary Peter Jolly, DPM, FACFAS
Curriculum Vitae
January 20, 2005

Office Address:

The Center for Reconstructive Foot Surgery, P.C
1 Liberty Square P.O. Box 3010
New Britain, CT 06050
Tel. 860 229-2807
Fax. 860 229-2812

DOB

May 19, 1948, New York City

EDUCATION

Upsala College, East Orange, NJ
Bachelor of Science, 1970

Pennsylvania College of Podiatric Medicine
Doctor of Podiatric Medicine, 1975

Podiatric Surgical Residency, 1975-1977
Metropolitan Hospital, Philadelphia, PA

Chief Podiatric Surgical Resident, 1976-1977
Metropolitan Hospital, Philadelphia, PA

Post-residency surgical training
Metropolitan Hospital, Philadelphia, PA 1977-1979

TEACHING APPOINTMENTS

Clinical Professor of Surgery
Des Moines University – College of Podiatric Surgery

Clinical Professor of Surgery
Temple University
School of Podiatric Medicine

Adjunct Professor of Surgery
California College of Podiatric Medicine

Adjunct Clinical Faculty
Ohio College of Podiatric Medicine

Director of Foot & Ankle Clinic / Joslin Center for Diabetes
New Britain General Hospital, New Britain, CT

Director Fellowship PGY-IV in Reconstructive Foot & Ankle Surgery
New Britain General Hospital, New Britain, CT

BOARD CERTIFICATION

Diplomate – American Board of Podiatric Surgery 1979,1987,1999

ORGANIZATIONAL AFFILIATIONS

American Podiatric Medical Association 1975

Connecticut Podiatric Medical Association 1979

Hartford County Podiatric Medical Society 1979

PROFESSIONAL HONORS / RECOGNITIONS

Fellow, American College of Foot & Ankle Surgeons – 1982

Fellow, American Society for Laser Medicine & Surgery – 1986

Visiting Professor, University of Texas Health Center, 2000

President, New England Division of American College of Foot &
Ankle Surgeons, 1986-1987

Secretary/Treasurer, American College of Foot & Ankle Surgeons, 2002-2003

President Elect, American College of Foot & Ankle Surgeons, 2003-2004

President, American College of Foot & Ankle Surgeons, 2004-2005

HOSPITAL AFFILIATIONS

Medical Advisory Board Member
Danbury Surgical Center, Danbury, CT, 1982-present

Attending Staff, Department of Surgery
VAMC West Haven, CT, 1986-present

Chairman, Division of Podiatric Surgery
Danbury Hospital, Danbury, CT, 1987-present

Chief, Section of Podiatric Medicine & Surgery
New Britain General Hospital, New Britain, CT

Saint Francis Hospital and Medical Center
Hartford, Connecticut

Journal Publications

Pressure osteosynthesis for internal fixation of metatarsal angulational osteotomies.
JAPMA 1976, 66(3):173-80.

Treatment of delayed union of a fifth metatarsal by compression osteosynthesis. JAPMA
1980, 70(9):449-53.

A new method of excision of painful plantar forefoot lesions using a rotation
advancement flap. J Foot Ankle Surg 1994, 33(2):129-34.

Entrapment neuropathy: the etiology of intractable chronic heel pain syndrome. J Foot
Ankle Surg 1998, 37(4):273-9.

High-energy bilateral talar neck fractures secondary to motocross injury. J Foot Ankle
Surg 1999, 38(3):214-8.

The accessory soleus and recurrent tarsal tunnel syndrome: case report of a new surgical
approach. J Foot Ankle Surg 2000, 39:194-7.

Pedicle flaps in the Soft Tissue Reconstruction of the Foot and Ankle Chirugia della Pied
April 2003 pp 1-10

Digital Artery Island Flap: A report of 15 cases. JFAS July/August vol 42:4 pp 208-14

Soft tissue reconstruction of the diabetic foot. Clin Podiatr Med Surg. 2003
Oct;20(4):757-81. Review. PMID: 14636037 [PubMed - indexed for MEDLINE]

Use of a hybrid kickstand external fixator for pressure relief after soft-tissue
reconstruction of heel defects.
J Foot Ankle Surg. 2003 Nov-Dec;42(6):393;

Whither podiatry?

J Foot Ankle Surg. 2003 Nov-Dec;42(6):317-8 author reply 393

Soft tissue considerations in partial foot amputations. Clin Podiatr Med Surg 2000,
17(4):631-48.

Soft tissue reconstruction of the diabetic foot. Clin Podiatr Med Surg. 2003 Oct;20(4):757-81

External fixation in the management of Charcot neuroarthropathy. Clin Podiatr Med Surg. 2003 Oct;20(4):741-56

Diabetic foot infections and antibiotic therapy. Clin Podiatr Med Surg. 2003 Oct;20(4):655-69

Diabetes mellitus and pharmacological therapy. Clin Podiatr Med Surg. 2003 Oct;20(4):635-53

Soft Tissue Reconstruction of the Foot with a Reverse Flow Sural Artery Neurocutaneous Flap. Ostomy/Wound Management June 2004 50:6 44-490

The Efficacy of Intravenous Prophylactic Antibiotics in Elective Foot and Ankle Surgery. J Foot and Ankle Surgery (43) 1 :97-104

Plantar Fibromatosis. Clinics in Podiatric Medicine and Surgery of North America. (22)1:11-18

Peroneal Tendon Pathology. Clinics in Podiatric Medicine and Surgery of North America. (22) 1: 79-86

Neurogenic Heel Pain. Clinics in Podiatric Medicine and Surgery of North America. (22) 1:101-114

The value of radiographic parameters in the surgical treatment of hallux rigidus. J Foot Ankle Surg. 2005 May-Jun;44(3):184-9.

Interpositional Free Tendon Graft for Lesser Metatarsophalangeal Joint Arthropathy J Foot Ankle Surgery Nov/Dec (44):6 490-2

Necrotizing Fasciitis in a Patient with Type 2 Diabetes Mellitus JAPMA 96(1):67-72

Textbook Contributions

Chapter – Trauma. Textbook of Geriatric Foot Care. Penn Pod Medical Association, 1980.

Chapter – Reconstructive Surgery of the First Ray. Textbook: Principles & Practice of Podiatric Medicine. Churchill & Livingstone, NY, 1989.

Chapter – Plastic Surgery. Textbook: Compendium of Podiatric Medicine & Surgery. Datatrace, 2000, 2001,2002,2003

Chapter- Plantar plate repair. Master Techniques in Podiatric Surgery. Thomas Chang ed. Due Fall 2004

Guest Editor – Clinics of Podiatric Medicine & Surgery Diabetes mellitus – Volume 20 number 4 October 2003

Guest Editor-Clinics in Podiatric Medicine and Surgery of North America January 2005 vol. 22 number 1

PUBLICATIONS / RESEARCH IN PROGRESS

Plantar Plate Disruption: An Etiology of Lesser Toe Instability. In revision.

Treatment of Morton's Neuroma by Primary Neurectomy & Muscle Implantation.
Submitted to Journal of Foot & Ankle Surgery – 2004

The Efficacy of Prophylactic Intravenous Antibiotics in Elective Foot & Ankle Surgery
ACFAS Annual Meeting, Orlando, FL – 2003. Journal of Foot & Ankle Surgery - 2004

*Soft Tissue Reconstruction of the Foot with a Reverse Flow Sural Artery
Neurofasciocutaneous Flap* ACFAS Annual Meeting, Orlando, FL – 2003

Current Principles on External Fixation
Podiatry Today – April 2003

Closure Techniques for Open Wounds
Podiatry Today – July 2003

External Fixation Use in Arthrodesis of the Foot & Ankle
Clinics of Podiatric Medicine & Surgery – February 2004

Reconstructive Soft Tissue Repair in Partial Foot Amputations
Chapter – Lower Extremity Soft Tissue & Cutaneous Plastic Surgery –
2004

External Fixation Use for the Treatment of Charcot's Neuroarthropathy
Journal of Foot & Ankle Surgery – 2005

*Comparing Calcaneal Ultrasound with Bone Density by DEXA to
Determine the Efficacy of Ultrasound in Predicting the Acute Stage of
Charcot Osteoarthropathy*
Co-investigator at New Britain General Hospital – 2005

VIDEO PRODUCTIONS

The Role of Triple Arthrodesis in the Management of
Charcot-Marie-Tooth Disease

Correction of 2nd MTPJ instability by plantar plate repair – Mitek Co

Medial Desmopexy of the 1st MTPJ for Hallux Valgus – Mitek Co

PRESENTATIONS / GRAND ROUNDS

Trigger Toe: Stenosing Tenosynovitis of the Flexors of the Toes
Hersey Surgical Seminar, Hershey, PA, 1988

Stenosing Tenosynovitis of the Peroneal Tendons
Hersey Surgical Seminar, Hersey, PA, 1988

Diabetic Foot Reconstruction
New Britain General Hospital, New Britain, CT, 1999

Tarsal Tunnel Syndrome
Yale School of Medicine, New Haven, CT, 2000

Heel Pain
West Penn Hospital, Pittsburgh, PA, 2000

Soft Tissue Reconstruction
College of Podiatric Medicine & Surgery, Des Moines, IA, 2000
University of Texas Health Center, San Antonio, TX, 2000

Maine Podiatric Medical Association-annual meeting 2001

Charcot & Soft Tissue Reconstruction
UPMC Annual Podiatric Seminar, Pittsburgh, PA, 2002

New England Foot and Ankle- Hyannis MA, May 2002

Maine Podiatric Medical Association-annual meeting
Portland ME 2003

Plastic Surgery Workshop / Management of Achilles Rupture
ACFAS Annual Meeting, Orlando, FL, 2003

IN the Crosshairs- point and counterpoint
ACFAS Annual Meeting Orlando FL, 2003

Maine Podiatric Medical Association-annual meeting, 2003

Methodist Hospital, Brooklyn, NY-Grand Rounds October 2003

ACFAS External Fixation Course-Memphis Tennessee September 2003

The Limb at Risk- Surgical Management of Charcot Neuroarthropathy,
ACFAS annual meeting, San Diego CA February 2004

Guest Lecturer Ohio College of Podiatric Medicine April 2004

ACFAS External Fixation Course-Memphis Tennessee October 2004

ACFAS External Fixation Course-Scottsdale Arizona January 2005

ACFAS Annual Meeting New Orleans March 2005
